Re: Warning Letter
FPPC No. 090145: Donald Vereen, Donald Vereen for School Board, and Felecia Rodgers

Dear Mr. Vereen and Ms. Rodgers:

This letter responds to the campaign statement amendments you provided to the Fair Political Practices Commission (the "Commission") on August 10, 2009, and our letter dated March 27, 2009.

The March 27, 2009, letter advised that you and your committee had failed to provide the committee's activity for the period covering October 19, 2008 through November 3, 2008, and had failed to disclose the required occupation and employer information for various contributions received of \$100 or more. Because the amended campaign statement discloses this information, we are closing this matter with a warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information.

Failure to comply with the provisions of the Political Reform Act (the "Act") in the future may result in an enforcement action against you, including monetary penalties of up to \$5,000 for each violation.

If you disagree with our determination that you violated the Act, please contact the undersigned in writing, in care of Teri Rindahl, postmarked within 14 days of the date of this letter.
